# Welcome to Rachella's Café & Venue!

This is our menu!

Make sure not to miss a thing  
of all the **happiness** food can bring!  
Lie on your side, stand on your head  
we have **more to choose** from than just bread!  
**GLUTEN INTOLLERENT? ON A LOW CARB DIET?  
DIABETIC?  
NEED VEGAN OR VEGETARIAN OPTIONS? ANY  
ALLERGIES?**

**Tell us from the start- We cater from the heart!**

*A Message from the owner*

You are currently sitting **INSIDE** a little girl's dream....  
Yes, I was dreaming of opening a coffee shop since, wellllll  
forever.  
According to my brothers my violin playing sounded more like  
an ambulance's siren than music.  
My mother got me a little wooden house, outside of our house,  
where I could practice- away from my critics.  
**This ended up becoming my first "coffee shop".**  
Today I am a lawyer- Please, no comment...  
Another dissonance, all around the world, was the year 2020.  
But on **1 September 2020** this little girl's dream opened its  
doors to amazing people just like you!

**Please have fun with us- And share it on the gram!**

All my love,  
Rachelle-Mari

Is there a special occasion brewing, or are we just celebrating the joy of good food and great company?

Tell us about it, and we can share in your joy and/or make it very awkward for the birthday boy or girl. Either way, it's bound to be memorable!

**Boring admin to take note of:**

**NO PAPER SLIPS:** We e-mail or SMS your receipt to you.

**Want us to SPLIT THE BILL?** Just ask us from the start! We open a separate bill for each guest.

**10% SERVICE FEE** will be added to your bill total- not happy, tell us! Very happy? Please tell us too!
